Chapter #112 of the American Association of Woodturners

Volume 11, Issue 1

January 2008

## Next Meeting: Tuesday January 8, 2008

### The President's Turn

Dear Members,

Another great year is completed under **President Jerry's outstanding leadership!** He took our Club that was listing and brought it back to a much higher level with a gentle loving touch! Certainly the right leader at the right time! Thank you so much for all your work Jerry!!

As team leader for 2008 I only hope I can **maintain the Clubs good feelings & activities** that have been set in motion. We will implement the new organizational structure of president elect, president and past president to ensure consistency and strength along with the secretary & treasurer as your officer team. Our additional board members add the bedrock to get things done.

In 2008 we have **scheduled outstanding demonstrations** through innovative programming by our committee of Frank Bowers (chair), Wes Jones, Mike Welborn and Dan Albertus. New this year will be **four training sessions for young people** guided by the expert hands of Hal Simmons. Also, we will have **three basic training sessions for members** coordinated by our training chair, Bob Black. Our year starts off with a bang, **Tuesday, January 8th**; Rebekah Quattlebaum turns bowls and uses beautiful finishing techniques to wake up our art senses! **Tuesday, February 12th**, Frank Bowers will demonstrate how to hollow a vessel using gauges rather than specialized hollowing tools. Watch a production turner combine technique and speed.

In 2008 we will schedule **"Excursions of Interest"**. They will be informal side trips to sawmills, peoples' shops, wood source places, etc. In January we will be asking for more ideas where some of you would want to go as a small group. The first invitation – Tuesday, February 26th - would be to visit my turning shop. We could discuss what I attempted to do in 2003 while building my 30x36 shop and what I would do differently today.

Remember each month at our meetings (**starting at 6:00PM**) we have: **subs from Subway, cold cokes and (sometimes) cookies for \$5.00. It is a great time to visit informally about turning with your friends. We will plan to get the business meeting started at 6:45PM so we can have a full demonstration and get you out between 8:30 and 8:45PM.**

We are still developing our **new Web Site**. If you have questions or suggestions, Paul Proffitt our new web master, can help you. You may contact him at [paul@netproffitt.com](mailto:paul@netproffitt.com) or talk to him at the meeting Jan. 8th.

Best regards,  
**Dan Albertus**

## Christmas Gathering 2007 was a great success!

**Ron Key wins the Jet Mini Lath in the raffle. Todd Chandler wins the Jimmy Clewes' Oriental Box from his demo at our club this year.**

## Demo for January, 2008 Meeting

"Thinking Outside the Box, Bowl, or Goblet" Rebekah Quattlebaum will be demonstrating a variety of ways to turn fruits & vegetables on the lathe. In addition she will be showing how to texture with a Dremmel-type tool, and finishing techniques that will bring still items to life.

Rebekah has been turning for about 2 years and has become quickly addicted to the love of woodturning. She continually draws from various demonstrators at club meetings and symposiums and gets inspired with new ideas that keep her turning endless variations of unique pieces.
