May 2019

Message from the President

Harold Wright, President 2019

The AAW International Symposium will be in session in Raleigh North Carolina July 11-14. There will be many demonstrations and information sessions. There will be a large vendor area with tools and equipment being demonstrated. Lots of turned items will be on display with some juried groups being awarded special recognition. It is not too late to plan your trip to Raleigh.

The equipment that Michael Gibson won for our club has cleared customs and is now awaiting transport to Gainesville. We will let you know when it has arrived. Michael will be the first person to try the lathe.

We will soon begin the search for new board members and committee members and officers. Please let us know if you will serve or you know someone who may be willing to serve.

We are always looking for program ideas. If you have an idea for a program or know of a person who would be a good demonstrator, please let me or Bill Lynch know and we will check it out.

MESSAGE FROM MEMBERSHIP CHAIR

Club and demos and hands on workshops are great but...Wouldn't it be neat if we could all come together as a group to make beads of courage bowls?
Let's try to have 100% participation!

Carolyn

MAY MEETING

DEMONSTRATOR: Bill Lynch

Bill will be the demonstrator for the May meeting. He turns bowls, hollow form vases, chalices and Christmas ornaments.

DEMONSTRATION: He will be presenting his method of creating a ‘twisted hollow form

Beads of Courage

- Beads of Courage is a non-profit organization whose mission is to provide supportive arts-in-medicine programs to children, teens, and families coping with serious illness and the clinicians that care for them. Beads of Courage helps children around the world record, tell, and own their own stories, using colorful beads as meaningful symbols of courage and hope along their treatment journey. Woodturners around the country have been donating their time, talents, materials and more to create
 - beautiful woodturned boxes to be given to Beads of Courage members as a precious vessel to hold their Beads of Courage collection. Last year over 800 boxes were made by woodturners and donated to the program.
 - This year boxes will again be collected at the AAW national symposium and at the GAW symposium in Dalton for delivery to participating hospitals. Please commit to making one or more Beads of Courage boxes in time to donate at one of these symposia. If you can't attend a symposium, bring your box to a club meeting so it can be delivered. The porcelain logo beads for the boxes are available from Wes Jones. The guidelines for making the boxes is attached.
 - Wes Jones
- **DESIGN SPECS ON PAGE 7****

APRIL MEETING

DEMONSTRATOR: Dan Douthard

DEMONSTRATION: The April meeting demonstrator was Dan Douthard. Dan presented 3 different ways to create Christmas ornaments. All were quite detailed. Dan has 2 or 3 Youtube videos showing the same process as he presented in his demo. He recommends that individuals wanting use his process watch the videos before attempting to make the ornaments.

BEAD BOWLS/BOXES GUIDELINES:

Beads of Courage members may receive thousands of beads. It is desirable for your boxes to hold them all. As a result, turned or rectangular lidded boxes need to be large. Larger is better! *Recommended interior dimensions for turned boxes are: 6" diameter (5" min.), 5" height (4" min.). Recommended interior dimensions for flatwork boxes are: 4" x 6" x 4".*

Box bases should be wide enough so the box is stable and does not tip over easily. Lids for Beads of Courage boxes should be easy for small or ill children to remove or lift. Any finials should be easy for a small child to grasp and not too elaborate so they don't break. Avoid excessively elaborate designs that may easily break or be damaged; remember, hospital rooms have limited storage space.

Finishing of boxes is extremely important! Beads of Courage members who receive these boxes are susceptible to germs/infections/mold. Bowls that have not been properly sealed can harbor mold. Please take the time to ensure you are using a safe finishing process that does not contain toxic materials. Also do not use finishes like linseed oil that take a long time to outgas.

All kinds of wood are beautiful! Please refrain from painting Beads of Courage boxes. Instead, highlight the beauty of the wood with clear varnish, a stain, and/or burning.

CHATTAHOOCHEE WOODTURNERS SCHOLARSHIPS

Chattahoochee Woodturners has a woodturning scholarship program for those who have been members of CWT for 12 months or more and who are also members of the American Association of Woodturners. For more details about this program and to download an application form, go to the CWT website, www.chattahoocheewoodturners.com, and click on the "Scholarship" title in the middle of the home page. Once you've completed the application, turn it in to the CWT Secretary, Jerry Chandler for review and processing.

Hands On Woodturning

Hands on Woodturning (HOW)

Session, Tues. May 21, 2019

All About Sharpening

Come and enjoy some fun and fellowship with your turning buddies! And maybe even learn new and creative techniques in woodturning. No skill prerequisites required, come as you are. Our planned HOW session will be on how to sharpen your tools. We will make a carbide burnishing tool to add a fine burr to your scrapers. Bring at least one tool of each type you need help sharpening (skew, scraper, gouge). It would be helpful to have another grinder. If someone has one that is portable we could mount it to the workbench up front with a clamp if necessary. Let Mike know if you can do this.

Time: 10AM – 2PM. Bring a lunch. Cold drinks in the refrigerator for a buck. Cost is **\$5** which includes blanks and project supplies.

April HOW project was Turn a Scoop!

Mike Peace, Mike Gibson and Ron Norris facilitated the workshop. We had the following participants: Dave Davisson, Deborah Davison, John Hammonds, Ken Klein, Robert Evans, Bob Wyllie, Dennis Machida, Ed Bishop and Dave Westfall.

Re-Sources of Interest

- For those of you with a PM3520, check out <http://mustardmonster.weebly.com/> for great tips such as making your own moveable remote safety cut off switch. This is great device when you are hollowing and working on the inside of a bowl. You can make this for a few bucks compared to more than \$100 to buy one from Powermatic.
- Mike Peace has added several more YouTube videos to his woodturning channel at: https://www.youtube.com/user/mpax356/videos?view_as=public
- **Safety Tip:** *Don't use a Spindle Roughing gouge on a bowl! Never! Watch this video if you need a reminder why* <https://www.youtube.com/watch?v=IOhHeyoZLaY>
- Bob Black recommends woodcraftbands.com for bandsaw blades. They offer a blade just like the Highland Woodworking's Turners blade for green wood but 40% cheaper for an order of 5. Shipping is about \$10."
- The **AAW** has created a searchable video library with videos that have been screened for content and safety. You can access this at <http://www.woodturner.org/page/LPVideos>
- **WOODTURNERS WONDERS** Ken Rizza 678-442-9454 woodturnerswonders.com kjrdistributing@gmail.com CBN Wheels, Lathe Lamps and Sanding Kits
- **PEACHTREE WOODWORKING** - PWW, is a big supporter of our annual fund raising auction, and are now carrying a full line of Sorby tools
- **CRAFT SUPPLY** offers a 13% club discount for a group purchase of \$1,000 or more.

800-345-2396

www.hartvilletool.com

Discount

The club discount is 15% Off regularly priced items, plus Free Shipping. Some exclusions apply (see Exclusions below).

Ordering Online

Go to our web site (www.hartvilletool.com) and shop as usual. When you are ready to check out be sure to mention that you are a Club Member

Ordering by Phone, Fax, or Mail

To help ensure that you receive the special discounted club pricing when ordering by phone, fax, or mail, you should be sure mention that you are a Club Discount Program participant.

To place an order by: 13163 Market Ave. N.

Hartville, OH 44632

Exclusions

- Discounts apply to regularly priced items purchased directly from Hartville Tool only.
- Purchases made from us via 3rd parties, such as Amazon, E-Bay, etc., will not be eligible for the Club Discount.

- , but not both. No further discounts will be given and offers cannot be combined.

- Offer also excludes:

Shipping & Handling Charges (If applicable)

Taxes (Ohio delivery addresses only)
Gift Certificates/Cards
Custom/Special Order Items
Festool Products.

- All prices and exclusions are subject to change without notice.

- **ROCKLER:** Most of us would rather just shop online rather than driving to Sandy Springs to get a discount. I spend over three hours a day in my car coming and going so I know the frustrations in getting to our store, but keep in mind that we stock several things in store that you will never see on our website. However, if you enjoy letting the Big Brown Truck bring you packages then I would like to extend the following offer:
\$7 flat rate UPS shipping if you call the store to place your order, mention that you're a club member and get your 10% discount.
Spend over \$100 and we'll ship for FREE! (excludes power tools)
I would like to personally thank your group for the continued support of woodturning in our state and local community. If there is anything we at Rockler can do to support you all, please feel free to contact myself. Sincerely, Jeff Slaton

Woodturning Instruction
