

CHATTAHOOCHEE WOODTURNERS

Chapter #112 of the American Association of Woodturners

Volume 10, Issue 1

January 2007

January Meeting, Tuesday January 9, 2007
Baxter's Belmont Shop

The President's Turn

January, 2007

The December Gathering was fantastic! Over thirty members and family met at the Rochester & Associates office for good food, fellowship, a gift swap and a super raffle. Andy Smith was the winner of a new Jet Mini Lath. Congratulations, Andy. We took in more than we spent for the food and the lathe, so we will have a little surplus to apply to our general fund or contribute to the Baxter Woodturning Studio. We'll discuss this at the January meeting.

Please note, the January meeting comes early in the month, Tuesday, January 9th. John Lucas of Cookeville, Tennessee will be demonstrating "Routing on Turnings."

Our demonstrator for February will be Frank Bowers who will show us how he turns boxes with a spiral external appearance. Frank is a long-time member of CWT as well as well a respected demonstrator in the woodturning field. This should be a great learning experience.

We've had some response from people willing to serve as officers and board members for 2007 so we will be presenting them at the January meeting for your vote. Remember, the only two voting options you may have are "Yes" or "I'll do the job myself."

Look forward to seeing you in January. Come early for sandwiches and discussion.

Jerry

2007 Dues Due

Our 2007 dues are now due, \$25 for individuals and \$40 per family. Please pay at the next meeting or mail to: Wes Jones, 591 Battersea Drive, Lawrenceville, GA 30044. We will vote for a new 2007 treasurer at the next meeting

Website

The Chattahoochee Woodturners website (<http://www.chattwoodturners.org/news.php>) is under new management. [Irvin Web Solutions](#), a small web development company run by Jimmy Irvin, a Chattahoochee Member, and Will Irvin, his son, have taken over the management of the club's website. New content will be uploaded often, so you will see lots of changes to the site during the next month or so. Please feel free to contact one of the officers if you have questions, comments, or suggestions for the new website.

Membership

Let's bring a friend, relative, or neighbor to our next meeting. The more dues paying members we have, the better demonstrators we can bring in, the better the information transfer, the better and larger the raffles, etc. Please forward this newsletter to anyone you think might be interested in turning wood. Then give me his/her e-mail address and I will add them to our monthly mailing. You do not need to be a member to receive our newsletter.

Pre-Meeting at 6PM

Don't forget to come at 6PM to have a sandwich and a drink, and ask your woodturning questions!

Video Library

Remember all members have access to our video library. We have both video tapes and DVD's. They include authors Chris Stott, Ed Moulthrop, Richard Raffan, Binh Pho, Nick Cook and others. Many woodturning subjects are covered, such as turning bowls, pens, boxes, spindles and more. We also have pictures of the gallery from many national symposiums. They will give you many idea's for new challenges. . Any member can rent them for \$2.00 per month. We use the rental proceeds to purchase new DVD's. So, the more you rent, the more new DVD's we can purchase! If you have any questions please see me, Theron Rogers.
