

CHATTAHOOCHEE WOODTURNERS

Chapter #112 of the American Association of Woodturners

Volume 10, Issue 2

February 2007

February Meeting, Tuesday February 13, 2007 Baxter's Belmont Shop

President's Turn
February, 2007

We had a full house last month to watch John Lucas share some techniques he has learned about using routing to enhance some of his turning projects. John always seems to take a very practical approach that doesn't require expensive tools or fixtures and he has no reservations about sharing what he learns with others. I hope you took something away that you have tried for yourself.

This month Frank Bowers will be demonstrating spiral turning and how it can be used with boxes. Frank is a great teacher and I'm looking forward to this unusual topic.

We plan to do another survey of what you would like to see in demonstrations this year. Hal and his team are hard at working planning another great year for us so please let him know what interests you most.

Don't forget to bring something for the raffle and plan to come early for the 6:00 PM pre-meeting discussions. Thanks again to Bob Black for his faithfulness in bringing sandwiches, chips and drinks for our pre-meeting. If you would like to come and eat, the cost is only \$4.00 for sandwich and chips and \$1.00 for the drink. It is first-come first-served so try to come early. See you then.

Jerry

Membership

Let's bring a friend, relative, or neighbor to our next meeting. The more dues paying members we have, the better demonstrators we can bring in, the better the information transfer, the better and larger the raffles, etc. Please forward this newsletter to anyone you think might be interested in turning wood. Then give me his/her e-mail address and I will add them to our monthly mailing. You do not need to be a member to receive our newsletter.

Pre-Meeting at 6PM

Don't forget to come at 6PM to have a sandwich and a drink, and ask your woodturning questions!

Video Library

Remember all members have access to our video library. We have both video tapes and DVD's. They include authors Jimmy Clewes, Chris Stott, Ed Moulthrop, Richard Raffan, Binh Pho, Nick Cook and others. Many woodturning subjects are covered, such as turning bowls, pens, boxes, spindles and more. We also have pictures of the gallery from many national symposiums. They will give you many idea's for new challenges. Any member can rent them for \$2.00 per month. We use the rental proceeds to purchase new DVD's. So, the more you rent, the more new DVD's we can purchase! If you have any questions please see Andy Smith, the librarian.
