

CHATTAHOOCHEE WOODTURNERS

Chapter #112 of the American Association of Woodturners

Volume 10, Issue 10

October 2007

October Meeting, Tuesday October 9, 2007 Baxter's Belmont Shop

The President's Turn

October 2007

We had quite a crowd turn out at our September meeting to meet Michael Mocho and see him demonstrate some of his techniques for turning and texturing. We've been fortunate this year to have a number of nationally-known turners share their skills with us thanks to Hal Simmons and his Programs team.

Next Tuesday it will be **Patrick O'Brien** from Alexandria, Virginia who will share with us some of the items that can be made on the lathe and sold for fund raising or just to enrich your bank account. If you make items to sell why don't you bring a few for the Instant Gallery so we can learn from your success?

Two other important things are happening at our October 9th meeting:

1) Election of officers for 2008. See the list of nominees later in this newsletter. If you have additional nominations you would like to make please check with the person first to be sure he/she is willing to serve then come prepared to add their name to the nominations and to vote.

2) Drawing for the Scholarship to John C. Campbell Folk School: So far we have sold a little over 90 tickets and would like to sell up to 140 but, regardless of the number sold, we will have the

drawing at the end of the meeting this Tuesday. You do not have to be present to win. Tickets are \$5 each or 5 for \$20. The winner will also receive \$200 that can be used to help pay for room and board at the Folk School.

See you Tuesday. Remember to bring something for the raffle and the Instant Gallery.
Jerry
