Message from the President

Harold Wright, President 2018

In June 2017 at the AAW International Symposium in Atlanta, a new Committee was recognized and became an important part of AAW. It is known as “Women In Turning” (WIT). I am happy to report that we (CWT) have 13 ladies named on our roster and most of them are turners. Some of them are just beginning and have shown some talent for the craft, others have been turning for a longer period. One of our members, Joy Moss, is an accomplished turner and demonstrator. Joy is a member of the founding group of Women In Turning. Several other ladies of CWT are also members of Women In Turning. I am confident that WIT will be successful.

Let us not forget that Chattahoochee Woodturners is a group with an open door. We are a club that enjoys teaching persons, young and not so young, how to turn wood. Let us offer membership to those who wish to try woodturning or maybe they just want to “hang out” with us.

Some of the upcoming symposia are:

AAW in Portland, Oregon during June. Mike Peace will be demonstrating.

Turning Southern Style during September in Dalton, Ga

Georgia National Fair during October in Perry, Ga. If you volunteer, you will receive free parking.

May Session, Tues. May 15:

Adding Pizzazz with Spiraling and Texturing: Come and enjoy some fun and fellowship with your turning buddies. And maybe even learn new and creative techniques in woodturning. No skill prerequisites required, come as you are. Our planned HOW session will be on using various texturing tools. However, if you need help with some other project or woodturning tool or technique, or just want to start with a beads and cove stick, one of the facilitators will be happy to help.

Time: 10AM – 2PM. Bring a lunch. Cold drinks in the refrigerator for a buck. Cost is \$5.00. Bowl blanks will be supplied. Here is a link to a video playlist Mike Peace has on his channel on using various texturing tools https://www.youtube.com/playlist?list=PLG3S-gdoXeXX3cklwHAzFOWucSXAU8d_b

Bring any texturing tools you have. Mike will have spares to loan out.

April HOW project was on turning a small bowl:

Mike Peace facilitated the workshop with help from Mike Gibson and Ron Norris.

Attendees: Don Wilson, Herb Whetzel, Ken Klein, Carolyn Adams, David and Diane Davisson, Bill Goff, Herschel Meaders, and Mary Hill (joined at the workshop).

Chattahoochee Woodturners Training Scholarship Program

Chattahoochee Woodturners offers financial scholarships to its members based on the following guidelines:

Scholarship Purposes: Scholarships are for hands-on woodturning training from any woodturning instructor or school approved by the board of directors or their appointed committee. Specifically excluded are symposia and non-hands-on demonstrations.

Eligibility: Applicant must have been a member in good standing of Chattahoochee Woodturners for at least twelve (12) consecutive months preceding their request for scholarship, AND must also be a member in good standing of the American Association of Woodturners, AAW. Members who receive a scholarship must wait twelve months from completing their training before applying for another one. Scholarships are not transferrable to anyone else.

Scholarship Amount: The CWT board of directors will determine each year how much money will be allocated to scholarships that year based on assets in the scholarship fund. For 2018, that amount will be \$1,000.00. The maximum scholarship for any one member will be \$250.00 in a twelve month period.

How to Apply: Eligible members may apply by submitting a completed application form to the board Scholarship Chairman (Jerry Chandler) at least sixty (60) days prior to the start date of the instruction. This form must include the following information:

- Name of the CWT member making the request
- Amount requested up to \$250
- What aspect(s) of woodturning will be covered
- Name and contact information of the instructor or school
- Date the training will start and how long it will last
- Goal(s) the member wants to accomplish through this training

The Scholarship Chairman and/or committee will review the application and make a decision within two weeks unless additional information is needed. Their decision will be final.

Payment of Scholarship Funds: The Scholarship Committee will pay the member 80% of the approved scholarship amount at the time the request is approved. The remaining 20% will be paid upon receipt and acceptance of the member's report on the completed training event. If the timing of the event changes, the board must be notified. If the member cancels his/her plans, the money must be returned to the board immediately. A new application may then be made for another training event if the member so chooses.

Report on Completed Training Event: Members attending scholarship training must submit a brief, one page written report of that experience within one month of completion. This report should include the name of the instructor(s), the subject(s), and how the member benefited from the experience. The purpose of this is not only to meet the requirement for receiving the final 20% of the scholarship, but also to assist other members in determining whether this might be a beneficial program for them to consider attending.

ROCKLER: Most of us would rather just shop online rather than driving to Sandy Springs to get a discount. I spend over three hours a day in my car coming and going so I know the frustrations in getting to our store, but keep in mind that we stock several things instore that you will never see on our website. However, if you enjoy letting the Big Brown Truck bring you packages then I would like to extend the following offer:

\$7 flat rate UPS shipping if you call the store to place your order, mention that you're a club member and get your 10% discount.

Spend over \$100 and we'll ship for FREE! (excludes power tools)

I would like to personally thank your group for the continued support of woodturning in our state and local community. If there is anything we at Rockler can do to support you all, please feel free to contact myself.
